

Joining and participating in a webinar (attendee)

Overview

If you are registering or joining a webinar and haven't received an email confirmation that's for a panelist or alternative host, you are an attendee in the webinar. As an attendee, you can virtually raise your hand, submit questions in Q&A, and send messages to others.

Note: Some attendee controls won't be available if disabled by the host. If you have additional controls not shown here, you may be a co-host or panelist in a webinar or an attendee in a meeting.

This article covers:

- Joining a webinar by invitation link
- Manually joining a webinar
- Waiting for the host to start the webinar
- Webinar controls

Prerequisites

- Zoom Desktop Client or Mobile App
